"With roots in Renmark, South Australia dating back to 1914, Renmano brings more than a century of winemaking heritage to its Chairman's Selection. The Chardonnay offers bright notes of melon, pineapple and peach, while the Cabernet Sauvignon reveals rich blackberry and plum with subtle spice and smooth tannins.

Chanceux Blanc de Blancs Brut completes the selection with lively bubbles, refreshing character and a crisp finish. Together, the three wines offer a balanced journey from vibrant white to expressive red and elegant sparkling — perfectly suited to seafood and memorable dining moments."
